Should the player return to the team (player is incoming) or sign with another Tier 1 team, it will be considered as a transfer to the team with which the player signs.

9.4.2 **Move:** A team registered in either of Tier 2, 3, or 4 (but not Tier 1) during the current seasonal year, which signs a player who is currently registered in Tier 2, 3, or 4, and has not been registered in Tier 1 at any time during the current seasonal year.

9.5.2 If the player transfers on or prior to November 1st, the transfer is considered a normal transfer subject to the rules of transfer for the specific tier of the team to which the player is transferring (see section 9.4 above).

9.5.3 A player who is not enrolled in high school and whose club team has disbanded for the high school season may be loaned to another team from November 1st to January 31st. If the player's original team does not re-form after the high school season, the player will be allowed to transfer to another team for the remainder of the season, subject only to the 5-transfers limit in section 9.4.1. Any player who is on loan to another team is bound to the original team and will become ineligible for any Cup competition or AZSL matches if he/she does not return to his/her original team after the loan period.

9.5.4 In recognition that there may be individual situations not foreseen by AYSA in the development of this rule, a player may appeal a decision. The dissolution of a team will be considered as such a potential situation on a case-by-case basis.

10.2.2 Teams participating in the U15-U18 age groups will play a fall season only (Season I).

10.2.2.1 Each team in the U15-U18 age groups will play every other team in its division twice, for a total of ten matches.

After the team has applied, the State League Oversight Committee will consider the request for the upcoming season. Current qualifying leagues include:

10.3.1.1.1.1 Maricopa County League

10.3.1.1.1.2 PCJSL

10.3.1.2.2.2 For the U12-U18 age groups, a team must retain a total of 12 players (11 players which play on the field + one additional player).

10.3.1.2.3 In all age groups, if a team leaves a club, the club will retain the position previously held by the team. The club will have the option of fielding a team for that position or relinquishing the position. If a club relinquishes the position the rest of the bracket will move up one position.

10.3.1.2.3.1 A U11-U14 team which switches clubs, loses its position in the AZSL and must play a season in a qualifying league (see above) and finish either 1st or 2nd to be eligible for the AZSL the following season.

10.3.1.2.3.2 A U15-U19 team which switches clubs and had played in Division I the previous season (after promotion/relegation) will drop to Division II. A U15-U19 team which switches clubs and had played in Division II the previous season (after promotion/relegation) will drop out of the AZSL and must play in a qualifying league for one season to be eligible for re-admittance to the AZSL.

10.3.2 **Relegation from Division I**

10.3.2.1 Teams which finished in either of the two last positions (places) in Division I at the end of the prior seasonal year will be relegated to Division II. The exception to this rule shall be the U14 age group (see U14 Relegation/Promotion below).

10.3.3 **Relegation from Division II**

10.3.3.1 Teams which finished in either of the two last positions (places) in Division II at the end of the prior seasonal year will be relegated out of the AZSL. The exception to this rule shall be the U14 age group (see U14 Relegation/Promotion below).

10.3.4 **Promotion to Division I from Division II**

10.3.4.1 Teams which finished in either of the first two positions (places) in Division II at the end of the prior seasonal year may be promoted to Division I of the AZSL if open position(s) exist. The exception to this rule shall be the U14 age group (see U14 Relegation/Promotion below).

10.3.5 **U14 Relegation/Promotion**

10.3.5.1 U14 Division I Relegation

10.3.5.1.1 Teams which finished in either of the two last positions (7th and 8th place) in the U14 Division I at the end of the prior seasonal year will be relegated to Division II for U15 play the following seasonal year.

- 10.6.1 All matches will count in the standings, whether or not they are actually played.

11 FIELDS AND SCHEDULING

11.1 Fields Selection

- 11.1.1 It is the goal of AZSL to utilize regional fields which are best-suited for the top level of competition in Arizona. However, it is to be understood that certain fields may not be available to AZSL, or may be logistically- or cost-prohibitive. AZSL reserves the right to schedule matches wherever needed to play the matches. Fields may be utilized anywhere within the state.
- 11.1.2 Criteria considered in the field selection shall include, but may not be limited to:
 - 11.1.2.1 Quality of the fields.
 - 11.1.2.2 Cost to rent the fields. Includes actual rental costs, fees for security, site management, site maintenance, portable restrooms, field set-up (painting, goals, flags), parking, etc.
 - 11.1.2.3 Number of fields at the site.
 - 11.1.2.4 Number of hours which fields are available at the site.
 - 11.1.2.5 Location of the fields in relation to teams playing.
 - 11.1.2.6 Availability of AZSL staff.
 - 11.1.2.7 Availability of referees.
 - 11.1.2.8 Availability of volunteers.

11.2 Scheduling

11.2.1 Number of Matches

- 11.2.1.1 In each of Season I and Season II, each U11-U14 team will play every other team in its division, for a total of (7) matches per season, or (14) for the seasonal year.
- 11.2.1.2 Each U15-U18 team will play every other team in its division two times, for a total of (10) matches.

11.2.2 Blackouts

- 11.2.2.1 Blackouts are defined as an entire weekend (Friday through Sunday) in which the team is unavailable for play. No reason is required for the unavailability.
 - 11.2.2.1.1 In Season I, each team will be afforded two (2) blackout weekends.
 - 11.2.2.1.2 In Season II (U11-U14 teams only), each team will be afforded three (3) blackout weekends.
- 11.2.2.2 Blackouts must be properly entered by each team in its online account at the time of registration. Blackouts may be revised up until the start of scheduling (time when AZSL begins work on schedules). At the start of the scheduling process, no further changes will be allowed.
 - 11.2.2.2.1 **Note:** Blackouts not registered correctly will not be recognized by AZSL. This includes registration by email, entry of blackouts in comment boxes, etc. AZSL currently uses GotSoccer for scheduling. Blackouts must be entered specifically in the designated area of the team's GotSoccer account.
- 11.2.2.3 Blackouts may not be split. For example, a team which is only unavailable on a Saturday (but is available on the Sunday) cannot split a blackout for use only on the Saturday. A registered blackout will remove the team from all matches for that weekend.

11.2.3 Available Play Dates

- 11.2.3.1 Each date of each season will be considered an available play date, except for those dates officially registered as blackouts.
- 11.2.3.2 Teams must be available to play on the specified rain dates, even if not originally scheduled.
- 11.2.3.3 Matches will not be scheduled for high school age teams (U15-U18) during the high school season.
 - 11.2.3.3.1 Players on high school teams may participate in the high school season. Upon completion of the high school season, players may return to their original club team without the need for transfer or loan paperwork.
 - 11.2.3.3.2 Players not participating on high school teams may participate in the league during the high school season. Should the original club team temporarily disband to participate in the high school season, remaining players may be temporarily loaned to other teams in order to participate in league play. At the conclusion of the high school season, the players must then return to the original club team. If players do not return and instead play on another team, transfer rules will apply.

11.2.4 Coaching Conflicts

- 11.2.4.1 A head coach must be designated for each team at the time of initial team registration. AZSL will consider two teams under the direction of one coach during the scheduling process, i.e. AZSL will try to avoid scheduling matches at the same time involving those two teams.
- 11.2.4.2 Schedules will not be changed once posted should a change in coaches occur on a team.

11.2.5 Postponements

- 11.2.5.1 No postponements will be granted except for events beyond the control of AZSL (weather, field closures, etc.).
- 11.2.5.2 Matches postponed due to inclement weather will be rescheduled on the first rain date established by AZSL. All teams are required to play on that date unless both teams agree to an alternate play date. In that case, the team initiating the request must provide (and pay for) a suitable field and referees (including payment of referees). Written authorization by the head coach of each team must be received by AZSL prior to an alternate date being approved.
 - 11.2.5.2.1 In the case of a rescheduled match in which two teams agreed to play on an alternate date and not on the official AZSL rain date, if a team is then unable to play the match, it will be declared a forfeit. All provisions of the forfeiture clause will then apply.
 - 11.2.5.2.2 In the event a match is unable to be played due to inclement weather, closure of fields, etc., the match score will be recorded as 0-0.
- 11.2.5.3 If a match is terminated due to weather or other field-related considerations, the match shall be considered complete if 10 minutes of the second half have elapsed before the match was terminated. If the match was of lesser duration, it shall be replayed.

11.2.6 **Forfeitures**

11.2.6.1 In the judgment of the referee, if one team is not ready to play within 15 minutes after the scheduled start of a match, then the opposing team shall be awarded a victory by forfeit. All provisions of the forfeiture clause will then apply. If a coach or team representative is not present, the team will be judged as not ready to play.

11.2.6.2 No team may participate in a scheduled match without a coach or team representative, properly registered to the team or club. If a coach or team representative is not present within 15 minutes after the scheduled start of a match, then the opposing team shall be awarded a victory by forfeit. All provisions of the forfeiture clause will then apply.

12 MISCONDUCT

- 12.1 All participants and spectators in AZSL activities shall be subject to all misconduct rules noted in the Laws of the Game as well as those contained herein, regardless of whether they have passes and regardless of whether the referee displayed a yellow or red card. The AZSL may investigate misconduct that is not noted in a referee's game report but is reported in writing to the AZSL by any individual.
- 12.2 A participant whose pass has been retained or who has been notified of suspension shall be ineligible to participate in any AZSL sanctioned match until the pass is returned to the team representative or the suspension satisfied. Any individual who participates in a match while ineligible shall be subject to further disciplinary action. Any team which permits an ineligible player to participate in a match shall forfeit all matches in which that player participated and the coach or team representative shall be subject to further disciplinary action.
- 12.3 Any team which refuses to take the field without cause, refuses to travel to an assigned game site without cause, or quits a match prior to its completion, shall be subject to a disciplinary hearing.
- 12.4 A referee may suspend play when necessary due to spectator or participant interference or harassment until the individual(s) creating the disturbance leaves the playing area to a distance of satisfaction to the referee. Said individual(s) shall remain silent for the duration of the match and take no further part in the match. Failure of the individual(s) to comply with the referee's request within two minutes may result in the referee's terminating the match and further disciplinary action by the AZSL.
- 12.4.1 Spectator(s) creating a disturbance may also be requested to leave the playing area by a league official (site coordinator, AZSL staff, AYSA staff, etc.).
- 12.5 Any participant or spectator who refuses to give his or her correct name to the referee or other league official while being cautioned, sent off or otherwise disciplined shall be subject to additional disciplinary action.
- 12.6 The possession, consumption or use of any alcoholic beverage, drug of abuse or controlled substance or the possession or use of any firearm at the field area by any player, coach, referee, team official or spectator prior to, during or after the playing of any AZSL activity is prohibited. Any individual who violates this provision shall be subject to disciplinary action.
- 12.7 All allegations of referee misconduct, unethical conduct, or conflict of interest occurring as a result of sanctioned youth matches shall be directed to the AYSA office. AYSA shall communicate such allegations promptly to the State Referee Administration.

13 PENALTIES

- 13.1 Penalties, sanctions and fines, unless otherwise noted herein, will be governed by the bylaws of AYSA. As allowed by those bylaws, the AZSL may institute stricter measures. However, in no case may lesser measures be allowed.
- 13.2 The following penalties/fines will be assessed where applicable:
- 13.2.1 A team which registers for AZSL, then withdraws after schedules are published but prior to the first match, will forfeit its entire entry fee. If feasible, a new team may be placed into the division to replace the withdrawn team. In such a case, the AZSL will follow the promotion/relegation guidelines.
- 13.2.2 A team which registers for AZSL, then withdraws after having played at least one match in the league, will forfeit its entire entry fee. Additionally, the team will be fined \$100.00 per match. No matches played will count in the standings. All such matches played will be recorded as 0-0. Additionally, a new team will not be placed into the division to replace the withdrawn team.
- 13.3 A team which refuses to travel to a game site without cause will be fined \$250.00. If a second violation occurs, the team's club will be fined \$500.00. In the event of a second violation, both the team coach/representative and a club representative shall be subject to a disciplinary hearing and possible suspension from the AZSL.
- 13.3.1 Any game(s) affected by a team's refusal to travel will result in forfeiture of said game(s). Fines listed above are in addition to the forfeiture penalties.
- 13.3.2 **Note:** Suspension from the AZSL may not necessarily be limited to the offending team, but may include any and all teams from the club.
